

July 2025

Dear valued IDEXX customer,

In accordance with Article 33(1) of REACH Regulation 1907/2006, we are writing to inform you that the VetStat™ Electrolyte and Blood Gas Analyser battery pack contains >0.1% lead solder. The lead solder is used internally within the battery pack to connect electronic wires and is not accessible during normal use.

IDEXX is committed to providing you with the highest-quality diagnostic products that meet all local safety and regulatory requirements. Please continue to use the analyser and its battery pack in accordance with their instructions for use.

Yours faithfully,

A handwritten signature in black ink, reading "Tamara Goodine", is displayed over a light gray rectangular background.

Tamara Goodine

VetStat™ Product Manager, IDEXX
